Shareholder Fees (fees paid directly from your investment)

The Fund does not impose any sales charges, exchange fees or redemption fees.

Annual Fund Operating Expenses (expenses that are deducted from Fund assets)

Annual Fund Operating Expenses	
Management Fees	1.00%
Other Expenses	<u>0.03%</u>
Total Annual Fund Operating Expenses	1.03%
Expense Reimbursement*	<u>0.03%</u>
Net Expenses	<u>1.00%</u>

* Reflects Ruane, Cunniff & Goldfarb Inc.'s ("Ruane, Cunniff & Goldfarb") contractual reimbursement of a portion of the Fund's operating expenses. This reimbursement is a provision of Ruane, Cunniff & Goldfarb's investment advisory agreement with the Fund and the reimbursement will be in effect only so long as that investment advisory agreement is in effect.

Shareholder Expense Example

As a shareholder of the Fund, you incur ongoing costs, including management fees and other Fund expenses. This Example is intended to help you understand your ongoing costs (in dollars) of investing in the Fund and to compare these costs with the ongoing costs of investing in other mutual funds. The Example is based on an investment of \$1,000 invested at the beginning of the period and held for the entire period (January 1, 2007 to June 30, 2007).

Actual Expenses

The first line of the table below provides information about actual account values and actual expenses. You may use the information in this line, together with the amount you invested, to estimate the expenses that you paid over the period. Simply divide your account value by \$1,000 (for example, an \$8,600 account value divided by \$1,000 = 8.6), then multiply the result by the number in the first line under the heading entitled "Expenses Paid During Period" to estimate the expenses you paid on your account during this period.

Hypothetical Example for Comparison Purposes

The second line of the table below provides information about hypothetical account values and hypothetical expenses based on the Fund's actual expense ratio and an assumed rate of return of 5% per year before expenses, which is not the Fund's actual return. The hypothetical account values and expenses may not be used to estimate the actual ending account balance or expenses you paid for the period. You may use this information to compare the ongoing costs of investing in the Fund and other funds. To do so, compare this 5% hypothetical example with the 5% hypothetical examples that appear in the shareholder reports of other funds.

Please note that the expenses shown in the table are meant to highlight your ongoing costs only and will not help you determine the relative total costs of owning different funds.

	Beginning Account Value <u>January 1, 2007</u>	Ending Account Value June 30, 2007	Expenses Paid During Period* January 1, 2007 to June 30, 2007
Actual	\$1,000	\$1,058.20	\$5.10
Hypothetical (5% return per year before expenses)	\$1,000	\$1,019.84	\$5.01

* Expenses are equal to the Fund's annualized expense ratio of 1.00%, multiplied by the average account value over the period, multiplied by 181/365 (to reflect the one-half year period).

Notes to Financial Statements

NOTE 1—SIGNIFICANT ACCOUNTING POLICIES:

Sequoia Fund, Inc. (the “Fund”) is registered under the Investment Company Act of 1940, as amended, as a non-diversified, open-end management investment company. The investment objective of the Fund is growth of capital from investments primarily in common stocks and securities convertible into or exchangeable for common stock. The following is a summary of significant accounting policies, consistently followed by the Fund in the preparation of its financial statements.

- A. *Valuation of investments:* Investments are carried at market value or at fair value as determined by the Board of Directors. Securities traded on a national securities exchange or on a foreign exchange are valued at the last reported sales price on the principal exchange on which the security is listed on the last business day of the period; securities traded in the over-the-counter market are valued in accordance with NASDAQ Official Closing Price on the last business day of the period; listed securities and securities traded in the over-the-counter market for which no sale was reported on that date are valued at the mean between the last reported bid and asked prices; U.S. Treasury Bills with remaining maturities of 60 days or less are valued at their amortized cost. U.S. Treasury Bills that when purchased have a remaining maturity in excess of sixty days are stated at their discounted value based upon the mean between the bid and asked discount rates until the sixtieth day prior to maturity, at which point they are valued at amortized cost.

Foreign currencies: Investment securities and other assets and liabilities denominated in foreign currencies are translated into U.S. dollar amounts at the date of valuation. Purchases and sales of foreign portfolio securities are translated into U.S. dollars at the rates of exchange prevailing when such securities are acquired or sold. Income and expenses are translated into U.S. dollars at the rates of exchange prevailing when accrued. The Fund does not isolate that portion of the results of operations resulting from changes in foreign exchange rates on investments from the fluctuations arising from changes in market prices of securities held. Such fluctuations are included with the net realized and unrealized gain or loss from investments. Reported net realized foreign exchange gains or losses arise from the sales of foreign currencies, currency gains or losses realized between the trade and settlement dates on securities transactions, and the difference between the amounts of dividends, interest, and foreign withholding taxes recorded on the fund's books and the U.S. dollar equivalent of the amounts actually received or paid. Net unrealized foreign exchange gains and losses arise from changes in the fair values of assets and liabilities, other than investments in securities at fiscal period end, resulting from changes in exchange rates.

- B. *Accounting for investments:* Investment transactions are accounted for on the trade date and dividend income is recorded on the ex-dividend date. Interest income is accrued as earned. Premiums and discounts on fixed income securities are amortized over the life of the respective security. The net realized gain or loss on security transactions is determined for accounting and tax purposes on the specific identification basis.
- C. *Federal income taxes:* It is the Fund's policy to comply with the requirements of the Internal Revenue Code applicable to regulated investment companies and to distribute all of its taxable income to its stockholders. Therefore, no federal income tax provision is required.
- D. *Use of Estimates:* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of increases and decreases in net assets from operations during the reporting period. Actual results could differ from those estimates.
- E. *General:* Dividends and distributions are recorded by the Fund on the ex-dividend date.
- F. *Indemnification:* The Fund's officers, directors and agents are indemnified against certain liabilities that may arise out of performance of their duties to the Fund. Additionally, in the normal course of business, the Fund enters into contracts that contain a variety of indemnification clauses. The Fund's maximum exposure under these arrangements is unknown as this would involve future claims that may be made against the Fund that have not yet occurred. However, the Fund has not had prior claims or losses pursuant to these contracts and expects the risk of loss thereunder to be remote.

NOTE 2—INVESTMENT ADVISORY CONTRACTS AND PAYMENTS TO INTERESTED PERSONS:

The Fund retains Ruane, Cunniff & Goldfarb Inc., as its investment adviser. Ruane, Cunniff & Goldfarb Inc. (the “Investment Adviser”) provides the Fund with investment advice, administrative services and facilities.

Under the terms of the Advisory Agreement, the Investment Adviser receives a management fee equal to 1% per annum of the Fund’s average daily net asset values. This percentage will not increase or decrease in relation to increases or decreases in the net asset value of the Fund. Under the Advisory Agreement, the Investment Adviser is obligated to reimburse the Fund for the amount, if any, by which the operating expenses of the Fund (including the investment advisory fee) in any year exceed the sum of 1 1/2% of the average daily net asset values of the Fund during such year up to a maximum of \$30,000,000, plus 1% of the average daily net asset values in excess of \$30,000,000. The expenses incurred by the Fund exceeded the percentage limitation during the six months ended June 30, 2007 and the Investment Adviser reimbursed the Fund \$487,000. Such reimbursement is not subject to recoupment by the Investment Adviser.

For the six months ended June 30, 2007, there were no amounts accrued or paid to interested persons, including officers and directors, other than advisory fees of \$18,026,150 to Ruane, Cunniff & Goldfarb Inc. and brokerage commissions of \$484,524 to Ruane, Cunniff & Goldfarb LLC, the Fund’s distributor. Certain officers of the Fund are also officers of the Investment Adviser and the Fund’s distributor. Ruane, Cunniff & Goldfarb LLC received no compensation from the Fund on the sale of the Fund’s capital shares during the six months ended June 30, 2007.

NOTE 5—FEDERAL INCOME TAXES:

Distributions to shareholders are determined in accordance with federal tax regulations and may differ from those determined for financial statement purposes. To the extent these differences are permanent such amounts are reclassified within the capital accounts based on federal tax regulations. During the six months ended June 30, 2007 permanent differences due to a net investment loss not deductible for tax purposes and realized gains on redemptions in kind not recognized for tax purposes resulted in a net decrease in net accumulated investment loss of \$4,975,439 and undistributed net realized gains of \$28,698,922 with a corresponding increase in paid in surplus of \$23,723,483. These reclassifications had no effect on net assets.

The tax character of distributions paid during the six months ended June 30, 2007 and the year ended December 31, 2006 was as follows:

	<u>2007</u>	<u>2006</u>
Distributions paid from:		
Ordinary income	\$ —	\$ —
Long-term capital gains	126,266,574	340,945,549
Total distributions.	<u>\$126,266,574</u>	<u>\$340,945,549</u>

As of June 30, 2007, the components of distributable earnings on a tax basis were as follows:

Undistributed long-term gain	\$ 264,141,773
Unrealized appreciation	1,935,362,926
	<u>\$2,199,504,699</u>

In June 2006, the Financial Accounting Standards Board issued Interpretation No. 48, “Accounting for Uncertainty in Income Taxes — an Interpretation of FASB Statement No. 109” (the “Interpretation”). The Interpretation establishes a minimum threshold for financial statement recognition of the benefit of positions taken in filing tax returns and requires certain expanded tax disclosures. Management has applied the Interpretation to the Fund during the period ended June 30, 2007. As a result of the application of the Interpretation, there was no material impact on the financial statements.

NOTE 6—DIRECTORS FEES AND EXPENSES:

Directors who are not deemed “interested persons” receive fees of \$6,000 per quarter and \$2,500 for each meeting attended, and are reimbursed for travel and other out-of-pocket disbursements incurred in connection with attending directors meetings. The total of such fees and expenses paid by the Fund to these directors for the six months ended June 30, 2007 was \$115,575.

NOTE 7—INTERIM FINANCIAL STATEMENTS:

The interim financial statements have not been examined by the Fund’s independent registered public accounting firm and accordingly they do not express an opinion thereon.

NOTE 8—NEW ACCOUNTING PRONOUNCEMENT:

In September 2006, Statement of Financial Accounting Standards No. 157, “Fair Value Measurements” (SFAS 157), was issued and is effective for fiscal years beginning after November 15, 2007. SFAS 157 defines fair value, establishes a framework for measuring fair value and expands disclosures about fair value measurements. Management has not yet determined the impact the adoption of SFAS 157 will have on the Fund’s financial statement disclosures.

Change in Independent Registered Public Accounting Firm

PricewaterhouseCoopers LLP (“PwC”) was previously the Fund’s independent registered public accounting firm. On June 11, 2007, PwC’s appointment as independent registered public accounting firm was terminated and Briggs, Bunting & Dougherty, LLP (“BBD”) was engaged as independent registered public accounting firm. The decision to change independent registered public accounting firms was approved by the Fund’s audit committee and Board of Directors.

PwC’s reports on the Fund’s financial statements for the Fund’s two most recently completed fiscal years ended December 31, 2006 and December 31, 2005 did not contain any adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the Fund’s two most recently completed fiscal years ended December 31, 2006 and December 31, 2005 and through June 11, 2007, there were no disagreements between the Fund and PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused it to make reference to the subject matter of the disagreements in connection with its reports. During the two years ended December 31, 2006 and 2005 and through June 11, 2007, there were no “reportable events” within the meaning of Item 304, paragraph (a)(1)(v), of Regulation S-K under the Securities Exchange Act of 1934.
